## **JOE JOHNSON EQUIPMENT COMPLETES STRATEGIC MONTRÉAL EXPANSION**

**Barrie, ON, April 30, 2014** – Joe Johnson Equipment (JJE), Canada's leading and largest provider of infrastructure-maintenance equipment to municipalities and contractors throughout North America; announced today that it has relocated its existing Quebec branch in Saint-Hyacinthe to centrally-located Anjou, Montréal, as the result of a strategic expansion plan for the Quebec market.

The new facility is equipped to handle up to 15 units and features a fully-stocked parts department and warehouse with a complete inventory on hand to service all its customers' needs throughout Quebec.

With highly trained factory technicians and a fleet of full service vehicles available 24/7, the new location responds to an increased demand for JJE's best-in-class products and services by municipalities and contractors across the province of Quebec.

JJE Company president, Joe Johnson, states:

*"JJE's business model has always been focused on understanding and exceeding our customers' needs. As a result of growth and increased demand for our products and services in the province of Quebec, I am excited to announce the expansion in Quebec through the relocation of our Saint-Hyacinthe facility into Anjou, Montréal. This new location will allow us to better serve our customers with a larger, more accessible, and more modern facility".*

The new JJE Montréal office is located at the junction of highways 25 and 40 directly on the Island of Montréal:
