FOR IMMEDIATE RELEASE

JOE JOHNSON EQUIPMENT APPOINTS RANDY MASSEN AS REFUSE SALES MANAGER FOR ONTARIO

Barrie, ON, August 11, 2015 – Joe Johnson Equipment (JJE), one of North America's foremost providers of refuse and infrastructure-maintenance equipment representing the industry's market-leading brands, today announced that it appointed Randy Massen as the new Refuse Sales Manager for the province of Ontario. As demand for JJE's waste management expertise and refuse/recycling and related equipment continues to grow, the additional capacity of a dedicated Refuse Sales Manager will strengthen the company's support of refuse customers from product consultation to parts & service.

In his new position, Randy will be responsible for managing and driving all aspects of Refuse Sales in Ontario for JJE and for developing long-term partnerships with both customers and suppliers. Over his refuse-industry career, Randy has had the unique opportunity to be directly involved in supporting all aspects of the customers' needs; including installation, training and support. As a licensed Automotive and Truck and Coach Technician, he has firmly established a reputation for focusing on customer satisfaction and service - an attitude that is welcomed at JJE.

Troy Walker, Vice President – Refuse Division at JJE, states:

“Adding Randy to our team will greatly enhance our position as the leading refuse equipment supplier and customer-support team in Ontario. In Randy, we continue to add exceptional people with deep industry experience to meet our customers' need for expertise, consultation and after-sales support in the refuse segment. On behalf of the entire JJE Team, I would like to welcome Randy on board and look forward to working with him on creating a superior service experience for our customers.”
