FOR IMMEDIATE RELEASE

GALBREATH EXPANDS CANADIAN DEALER NETWORK WITH JOE JOHNSON EQUIPMENT (JJE) JJE TO COVER CANADIAN TERRITORIES FROM MANITOBA TO NEWFOUNDLAND

Galbreath®, a Wastequip brand, and the waste industry's leading manufacturer of hoists, container handlers, and trailers, has expanded its dealer network, naming JJE as one of its Canadian distributors. Galbreath is recognized as the premier hoist, trailer, and container handler brand for the waste and recycling industry. JJE will carry the entire Galbreath product assortment.

JJE will service the eastern half of Canada, from Manitoba to Newfoundland, extensively expanding Galbreath's current Canadian coverage. JJE sells and supports infrastructure-maintenance equipment to municipalities and contractors across Canada, the US, and in Chile. The Company provides equipment included in the following industries: Indoor Ice Making & Maintenance, Refuse & Recycling, Snow & Ice Control, Street Cleaning, Sewer Cleaning, Pipeline Inspection, Wet and Dry Industrial Vacuum, Hydro-Excavation, Mowing, and Mining. In addition to its sales and product-support arms, JJE has strong Used Equipment, Technology, Consulting, Rental, and Finance divisions.

JJE was recently recognized as one of Canada's 50 Best Managed Companies – an honour that's been bestowed on the company for two years in a row.

"We're incredibly excited to become part of the extensive Galbreath dealer network, and we look forward to expanding their presence in Canada. The high quality Galbreath product line compliments the best-in-class products we represent, and we look forward to making our customers aware of the many advantages and benefits that they bring to the table," said Michel Lavender, Product Manager, Refuse Division for JJE.

"Galbreath is continually focused on strengthening our North American dealer network to better serve our end-users," said John Defenbaugh, mobile products division president. "Joe Johnson Equipment was a natural choice for expansion in Canada. The Company provides sales and service through multiple locations, while focusing on quality service at the localized or regional level. That, combined with a knowledgeable sales force and extensive industry experience, is impressive."

About Wastequip

Wastequip is the leading North American manufacturer of waste and recycling equipment, with an international network of manufacturing facilities and the most extensive dealer network in North America. Wastequip's broad range of waste and recycling equipment and systems are used to collect, process and transport recyclables, solid waste, liquid waste and organics. The company's brands include Wastequip, Toter, Galbreath, Pioneer, Accurate, Cusco, Mountain Tarp and Parts Place. For more information, visit www.wastequip.com.
