

Save on space, not on power.

It's time to call in the Cadet. This portable electric jetter will clean the entire circumference of the line and make quick work of grease and soft clogs. The triplex plunger pump with electric motor gives you a true 1,500 PSI at 0.75 GPM, or 700 PSI at 2.0 GPM, and at just 14" x 22½" x 9" it leaves plenty of real estate in your work truck for more Spartan Tool equipment.
